

ENVIRONMENT POLICY

MITSUBISHI ELECTRIC INDIA PRIVATE LIMITED FACTORY AUTOMATION AND INDUSTRIAL DIVISION

We at “Mitsubishi Electric India Private Limited” involved in design, manufacture, sales and service of factory automation and industrial products and its accessories, along with process automation solutions (PA) and automotive business development (ABD) shall be committed to protect the environment and prevention of pollution by continual improvement.

We shall achieve this by:

- Complying with all applicable environment related legal and statutory requirement.
- Conserving energy and natural resources to the extent possible.
- Reducing adverse impact on the environment from our operations.
- Continually strive to prevent and protect environment by reducing waste and pollution by improving operations and practicing 3R's (i.e. Reduce, Reuse & Recycle).
- Creating environmental awareness to all employees.
